

2009/2008 SELECT PROGRAMS (U11/U12)

U11/U12 Curriculum

Learning to Play Goal-Oriented

The U11/U12 age groups are in **Stage 2 of Development** which is described as **Playing together 2v1 up to 9v9**. "We have the ball" (offense): 1v1 and 2v1 play including overlap, wall passes, and takeovers. "They have the ball" (defense): teach 1v1 and 2v2 defending and pressure in twos. Teams play in a 9 v 9 format.

The main objective is to continue to develop skills while learning to use individual creativity/ability in combination with learning to make choices (playing together 2vs1) and recognizing these situations in games.

- Technique:** Continue to teach and improve development of juggling, dribbling, running with the ball, 1vs1 attacking, short and long passing, and scoring with both sides of the body. Emphasis on use of team skills in the game situations and in relation to a position.
- Insight:** Teach 1vs1 offense and defense, and an individual role (position) and begin working together as a line. The focus will be on both We have the ball (offense) and They have the ball (defense). Teach the choices of when to dribble, pass or shoot and further develop and recognize 2v1s all over the field.
- Personality:** Emphasize having fun, but playing 100% while developing players who have respect toward the sport, teammates, coaches and opponents. Players will be encouraged to have "confidence" with the ball and make things happen with skill. Communication will be emphasized. Players will be encouraged to train on their own.
- Speed:** Teach psycho motor skills and general coordination both with and without the ball and teach all necessary movements needed for technical skill development.

Team Formation

Select teams are formed after Select tryouts in May. Not all age groups will form Select teams—formation of a team in age group depends upon interest from players who are ready for competitive soccer.

Select teams are typically made up of players who choose the program because they prefer a part-year program OR are not yet ready for Premier/Elite.
