

2011 AND 2010 YOUTH DEVELOPMENT PROGRAM

U9 and U10 Curriculum

Goal Oriented Actions with The Ball

The U9 and U10 age groups are in **Stage 1 of Development** which is described as **Mastery of the Ball (Skills) and Dominating the 1v1**. The main emphasis will be when "we" have the ball (offense). There will be little emphasis on coaching when "they" have the ball (defense) with the main goal being to get the ball back.

The main objective within the curriculum is to develop soccer personalities while having players emulate their favorites. Games will be played using BUSC's "New Ball Method" whereby a new ball is added by coaches when the ball goes out or a goal is scored. Teams play in a 5 v 5 format (includes keeper).

- Technique:** Teach and develop juggling, dribbling, running with the ball , 1vs1 attacking, short passing, and scoring with both sides of the body.
- Insight:** Teach 1vs1 offense and a basic understanding of roles and positions. Strategy and tactics will be based on the individual and very basic in both "we" have the ball (offense) and "they" have the ball (defense).
- Personality:** Emphasize having fun, but playing 100% while developing players who have respect toward the sport, teammates, coaches and opponents. Players will be encouraged to have "confidence" with the ball and to make things happen with skill - "not be afraid to make mistakes".
- Speed:** Teach psycho motor skills and general coordination both with and without the ball and teach all necessary movements needed for technical skill development.

Program Concept

The U9 and U10 YDP Program will be open to approximately 30 players per age group. The entire group will train two times per week at the same time and location (academy-style). Players will benefit by being coached by all U9 and/or U10 YDP Staff.

Philosophy

The U9 and U10 YDP programs provides the highest quality development in the Tri-Valley area for players who desire to build a strong foundation for playing competitive soccer. It is designed to create an exciting environment that will motivate players to develop technical ability and foster a passion for soccer.

Team Formation

Teams will be formed during our April/May tryouts, with Premier being the top team, then Elite 1, Elite 2, etc. Since the teams will all be practicing academy-style (same time, same location) and with all YDP coaches in their age group, there may be opportunities for players to play with the other teams if coaches believe a player's development will be enhanced by such a move.

TRYOUTS, COSTS, AND OTHER INFO

TRYOUTS

Tryouts are required for BUSC's Competitive Programs. Pre-registration for tryouts is REQUIRED. For more info or to pre-register, visit our [Competitive Team Tryouts](#) page.

FUTSAL

At this age group, BUSC incorporates learning the game of Futsal. Futsal creates a fun environment that teaches comfort on the ball, playing in tight space, and problem solving. U9 and U10 YDP teams will train in Futsal one day a week in the fall.

COACHING STAFF

BUSC prides itself on providing high quality coaches focused on the development of young players. For the most up-to-date information the team assignments for our coaching staff, please visit our [Competitive Coaching Staff](#) page.
